STATINTL

1. [] PSB, discussed the meeting set forth in Journal entry No. 4 of 1 April with Dr. Allen and Mr. Dulles. As both of these people had been of the impression that Mr. Harriman's commitments included an overruling of the Defense position, this not being the case they have determined to seek an immediate decision on this point at the next PSB meeting.

STATINTL

2. Sen. McMahon has forwarded CIA a letter requesting detailed information on the scope of our atomic energy intelligence activities. I have handed this letter to DD/I. In a subsequent conversation with [] he has authorized the removal of the "Restricted Data" classification from the letter.
